**THE PLAY** is Chainz' first release since **Pretty Girls Like Trap Music**, 2 Chainz' most recent album (released June 2017), which accumulated over 1.3 billion streams and spun off a trio of consecutive RIAA platinum rap/R&B/pop crossover hit singles in 2017: **"Good Drank"** featuring Quavo and Gucci Mane; **"It's A Vibe"** featuring Ty Dolla \$ign, Trey Songz and Jhene Aiko; and **"4 AM"** featuring Travis Scott. **Following the release**, Chainz embarked on the 35-city *Pretty Girls Like Trap Music Tour* of North America, criss-crossing the U.S. and Canada through September in now infamous pink wheelchair.

In addition to music, 2 Chainz' influence continues to grow as his wildly popular TV show *Most Expensivest* was greenlit for a second season on VICELAND. Moreover, Chainz has a new sneaker collaboration with Versace called "Chain Reaction" set to hit stores this spring.

### **About 2 Chainz:**

Following his run as a founding member of Def Jam duo Playaz Circle from his native Atlanta, **2 Chainz'** name was on everyone's lips in 2012, when he stole a verse on **"Mercy,"** fellow Def Jam artist Kanye West/G.O.O.D. Music's RIAA triple-platinum #1 R&B/#1 Rap hit (from **Cruel Summer**). In August 2012, Chainz arrived as a Def Jam solo artist with **Based On A T.R.U. Story**, his debut album. **B.O.A.T.S.** entered Soundscan at #1 and was certified RIAA gold. Its success was fueled by the RIAA platinum #1 **"No Lie"** featuring Drake, the double-platinum **"Birthday Song"** featuring Kanye West, and double-platinum **"I'm Different."** **"Mercy"** was subsequently a Grammy® nominee for Best Rap Song and Best Rap Performance, while **B.O.A.T.S.** was nominated for Best Rap Album. Chainz' dominance was extended when the sequel, **B.O.A.T.S. II: Me Time** entered the Soundscan hip-hop chart at #1 in September 2013, and spun off the RIAA gold single, **"Feds Watching"** featuring Pharrell.

Over the next four years, Chainz music and content output was unstoppable. His deep catalog of mixtapes started to emerge in 2007 (including the 3-part **Trap-A-Velli** series); in 2016 alone he released

three critically acclaimed mixtapes (**Felt Like Cappin**, **Daniel Son**; **Necklace Don**, and **Hibachi For Lunch**). He also teamed up with New Orleans hip-hop legend Lil Wayne for the mammoth collaboration album **ColleGrove**; and delivered the third season of the web series for GQ, originally titled *Most Expensivest Sh!t*. The albums, mixtapes and web series inspired [TheRinger.com](http://TheRinger.com) to say “Forget Mount Rushmore—2 Chainz deserves his own national monument. This year dude is top five humans of all time.”
