VOL. 2 is the follow-up to 2016’s critically acclaimed ***BIG BOSSIN VOL. 1***. The ***New York Times*** stamped the project on their “Best Albums of 2016” list while ***Pitchfork*** proclaimed, “On Big Bossin Vol. 1, Detroit underground hero and Texas-based producer Cardo Got Wings work together to make a smooth, technicolor tribute to classic LA gangster rap.”

The union of **Payroll & Cardo** is one of hip-hop’s unique collaborations in recent years.
